

EL PORVENIR CHRISTIAN CAMP AND RETREAT CENTER

Our Slogan: *Providing a place where God changes lives.*

Our Primary Customer: The event leader who has a God given passion and vision for changing lives through a camping or retreat experience in a remote mountain setting.

Our Mission: We exist to be a Christ-led community that partners with event leaders and positions them to change lives in a summer camp or weekend retreat context.

Our Vision: To be a safe place of wonder, adventure, connection, and rest where campers and guests return home spiritually renewed.

Our Values:

- **Christ-centered:** Christ is our life. We ask Christ to live his life through us, revealing and sharing Christ through every personal encounter.
- **Bible-based:** Making decisions and pursuing actions that are grounded in a sound understanding of Scripture.
- **Spirit-led:** Depending on God by seeking Him first in all things.
- **Trust-worthy:** We uphold the sacred responsibility to love and safeguard every camper entrusted to our care, and to conduct our affairs with integrity.
- **Service-oriented:** We seek greatness by excelling in service to our partners, humbly putting guests' needs before our own, and staying out of the spotlight.
- **Joy-filled:** We enjoy the process, not just the results, of our behind-the-scenes ministry together. We are passionate because our work is an expression of who we want to be.
- **Sustainability-driven:** Stewarding our resources for long-term health and viability.

Our Vision Imperatives:

- **Pursue Jesus Personally:** The greatest thing we *each* have to offer is our personal relationship with Jesus.
- **Invest in Partnership:** Engage with ministry leaders outside their event, meet them in their context, and listen. Create the customer.
- **Provide Hospitality:** Provide guest oriented Christ-like hospitality.
- **Create Space for God:** Don't try to reinvent what God provides through His Word, nature, relationships, and time.
- **Lead Outdoor Adventure:** Making the outdoors fun and accessible to all campers.
- **Focus the Ministry:** We can't be all things to all people. Our calling is specific.
